These papers relate to a proposal to amend article 549 of Mysore Service Regulations in regard to the rates of travelling allowances admissible to a retired Dewan or Councillor when he is a member of the Legislative Council and travels on duty as such.

Page 10 of Collection U.

2. The question arose in connection with the travelling allowance bill of Rajamantra Pravina C. Srinivasiengar for September and October 1911. He contended that the rates fixed in article 549 should not be applied to him as they are lower than those which he was drawing as Councillor and which are still allowed to him for attending the Birthday festivities (article 632(d),Mysore Service Regulations) and the meetings of the Economic Conference (vide Government Order No.G.3256-60/G.M.36-11-68 dated 6th December 1911).

V.

Page 14 of Collection U.

3. I agreed with the First Councillor that Mr. C. Srinivasiengar may be permitted to draw the same travelling allowances as were admissible to him while he was in service.

4. It may be remarked here that the rates allowed in article 549 as it stands, are rates admissible to Heads of Departments in service, and thus while retirec Heads of Departments will, if members of the Legislative Council, continue to draw the same rates, retired Deputy Commissioners will be drawing somewhat higher rates.

5. In consultation with the Financial Secretary, the office issued the draft of Government Order revising the rates without passing it on to me for submission to His Highness. The matter is now submitted to His Highness for sanction. Both the Councillors agree to the amendment.

6. As observed by the Financial Secretary "it is desirable to make conditions such that Retired Dewans and Councillors may be disposed to accept such honorary offices and the extra cost involved is not much".

7. The draft amending article 549 to the above effect may be approved.
